

Wherever there is glass....We can improve it.

Your Madico dealer is a professional window film installer who will help you choose the right film for your vehicle while complying with local window film laws. Your dealer will also explain the care and cleaning of your film so that you enjoy the benefits for as long as you own your car.

Each Madico automotive window film product is backed by a manufacturer's warranty. Please see your warranty for more information and coverage details.

Keep Your Cool With Charcool

Enjoy a more comfortable driving experience with Charcool automotive window film by Madico. Charcool offers style and performance that won't interfere with the sophisticated technology found in vehicles today.

Reduces Heat and Glare

Charcool reduces heat and annoying glare, making your car more comfortable to drive while requiring less air conditioning.

Over 99% UV Protection

Too much ultraviolet light (UV) exposure can lead to sunburns and possibly skin cancer. Charcool offers protection from these harmful rays, keeping you and your family safe.

Minimizes Fading of Automotive Interiors

Protect your car's interior surfaces and upholstery from excessive UV exposure and the drying effects of the sun.

Keeping Safety In Mind

In the event of glass breakage from an accident, window film holds broken glass together and away from occupants.

Enhances Vehicle Appearance

Charcool is available in a range of shades to suit your individual driving needs.
