

Wherever there is glass....We can improve it.

Your Madico dealer is a professional window film installer who will help you choose the right film for your vehicle while complying with local window film laws. Your dealer will also explain the care and cleaning of your film so that you enjoy the benefits for as long as you own your car.

Each Madico automotive window film product is backed by a manufacturer's warranty. Please see your warranty for more information and coverage details.

## High Performance Style and Comfort

Enjoy the drive even more with Onyx high performance window film. Onyx offers maximum heat rejection, increases privacy and helps protect your car's interior. Its metallized technology provides sophisticated style and year round comfort.

### Reduces Heat and Glare

Onyx reduces heat and annoying glare, making your car more comfortable to drive while requiring less air conditioning.

### Over 99% UV Protection

Too much ultraviolet light (UV) exposure can lead to sunburns and possibly skin cancer. Onyx offers protection from these harmful rays, keeping you and your family safe.

### Minimizes Fading of Automotive Interiors

Protect your car's interior surfaces and upholstery from excessive UV exposure and the drying effects of the sun.

### Keeping Safety In Mind

In the event of glass breakage from an accident, window film holds broken glass together and away from occupants.

### Enhances Vehicle Appearance

Onyx is available in several shades to help you get the look and level of privacy you desire.
